- * Inquiries: Budget Specifications_ \$3,000 Pond Water Quality Mngmnt?
\$750 Pond Committee? \$2,500 Pond Path Project?
- * Budget Requests: procurement for monthly Organic treatments (includes algacide), remunerations for tests/consultations (McGlynn)

General Requests to ALL BF Residents: Please use all fertilizers, pesticides, herbicides, etc...responsibly. Less is more...

(Instead of quick-fix inorganic/chemicals, please consider using Organic treatments, OMRI listed)

~~~

**Our Pond Ecosystem** continues to support a diversity of fauna, flora and micro-organisms.  
(Waterfowls are getting ready to nest by the pond...)
